

Madison Valley Stormwater Project

NW Diversion & Washington Park Stormwater Storage

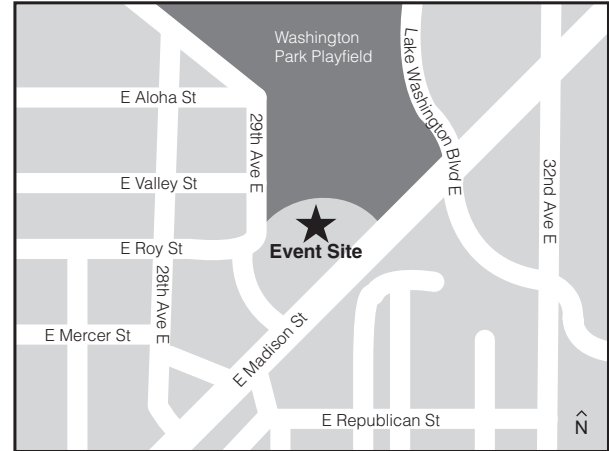

Join us!

Celebrate the completion of the Madison Valley Stormwater Project!

**Wednesday, May 22
10 – 11 a.m.**

**Washington Park Stormwater Storage Tank
Entrance off of E Madison St, northwest of City
People's Garden Store**

Join City of Seattle elected officials and community members at Washington Park to celebrate the completion of the Madison Valley Stormwater Project and take a self-guided tour of the new Washington Park facilities.

Washington Park is accessible by Metro bus 11, 43, 48 and 84.

ADA access to Washington Park is available at the north side of the Washington Park playfield, from the parking lot off of Lake Washington Blvd East.
